TIME TO HEAD BACK TO SCHOOL!

The summer has flown by for us. We can't believe that it is already time for us to start our travels back to school. This year we will be attending New Tribes Missions Institute in Ontario Canada. Both of us will be in classes. It will a bit of an adjustment for us, juggling parent responsibilities and home responsibilities as well as our school responsibilities. It is going to be a busy year, but we know that the Lord is going to use it greatly in our lives!

A couple of summer highlight were a beach day with all of Ruth's side of the family, which is quite a crew. We were all able to get away for the day and just spend some good family time together. A highlight for Ben was working on the Howse Foundation Crew. He was excited to learn a new skill and really enjoyed the fellowship with the guys.

BABY NUMBER TWO IS ON THE WAY!

Yes, that's right we are expecting our second child! We are both very excited to watch the Lord continue to grow our family. Ruth is feeling well so far, and we are praying that she will continue to feel well.

We will be arriving in Canada on the 15th of August. Please pray that we are able to establish a good home base for the time that we are up there; setting up a bank and figuring out where the stores are.

Thank you for all of the prayers that we know you have given for us. We always appreciate hearing from you.

Serving our Lord

Ben, Ruth, & Chloe Kane

Us at a family picnic...Chloe having a GREAT time.

If you would like to check out our website we have added two new pages "Why be a Missionary" & a "Practical Needs" Page. Check it out!
